

## **Allowances & Expenses Policy**

### **The Perins MAT**

**2021-2022**

Approved by The Perins MAT Trust Board May 2022

Next review due May 2023

## **Introduction**

Members, trustees and local governors cannot be paid either attendance allowances or for any loss of earnings. Regulations<sup>1</sup> however permit payments for out of pocket expenditure incurred for the purposes of enabling an individual to perform any duty relating to the management of the The MAT. These payments may include reasonable expenses to cover travel costs or child care cost.

To ensure equality of participation the Trust Board has agreed in principle that Members, trustees and local governors may claim expenses for attendance on approved duties. The scheme will apply equally to all, but it is open to any individual to choose whether not to claim.

## **Approved Duties**

Approved duties comprise properly convened Board and Committee meetings and other duties allocated to an individual by the Trust Board. Attendance at training courses falls outside the scheme, with the exception of the annual Whole Trust Board training event.

## **Allowances and Expenses**

Claims may be made for the following:

### **Childcare expenses**

Where a member, trustee or local governor does not have access to a responsible adult to care for a child. Claims will be limited to reimbursing the actual cost paid to a registered child minder or the cost of a baby sitter.

### **Care arrangements for a dependent relative**

Claims will be limited to reimbursing the actual amount paid to a person providing the care that the member, trustee or local governor would have provided during the period of their absence.

### **Telephone charges, photocopying costs and stationery**

These costs will be reimbursed where the member, trustee or local governor is unable to use the facilities of a school in the performance of any duty on behalf of The MAT.

## **Travel**

Mileage may be claimed at the HM Revenue and Customs (HMRC) approved mileage rate shown on the HMRC website where the distance between the home of the member, trustee or local governor and the school or other venue which the member, trustee or local governor is required to attend on business related to the work of The MAT (e.g. meetings, visits to other providers, etc.) exceeds 3 miles.

## **Claiming**

Claims must be supported by receipts relating to the expenditure incurred, and should be made to the Chief Financial Officer termly in arrears. The mileage / expense claim forms are available from the Finance Team.

The Trust Board will regularly monitor and periodically review the effectiveness of the policy and the range of items for which expenses may be claimed.
